

sanitize

**wipe
down
counters**

Provide more
access to
sanitation
wipes for
clean up after

Clean
bathrooms,
increase heat
in showers
(they are
cold).

**Wash bed
sheets
regularly**

clothing

Store each
patients
clothes
separate from
other patients

Wash clothes
one patient
per
washer/dryer

Have patients
leave their
clothes in a
bin outside
their room for
pickup

Drop off clean
clothes in a
separate bin
outside the
room

food

**have
more
affordable
options**

**food is
dropped
off at door**

**2 food
runners
per floor**

More access
to drinking
water in
general

student health

Provide tests
every other
day to
patients in
quarantine

Use video calls
with
professionals
to check on
patients'
symptoms

Use video calls
to make sure
patients are
ok mentally
while in
isolation

Provide access to
exercise for
asymptomatic
patients in order to
prevent buildup of
pneumonia in the
lungs.

Transportation

dedicated
medical staff
in the covid
housing

free medicine
ready in covid
housing

Transportation

Allow access to on
the dot
communication
with your driver as
to prevent a
miscommunication
over rendezvous
point.

dedicated staff for
planning the move
of students between
dorms

Create more phone
lines for the
transportation
hotline to prevent
mix ups of students
from the operator.

If numbers
grow to large,
use shuttles to
transport
more students
at once
